

Paid Internship Opportunity! All Majors Desired

PSEG Institute for Sustainability Studies presents the 8th Annual

2023 Green Teams Summer Internship Program

Internship Dates: May 30th, 2023 - August 3rd, 2023

What would you do?

Over ten weeks, students work with industry experts to achieve high-level deliverables and present a comprehensive and actionable written report in addition to a group TED-style presentation to their hosting organization

Paid Internship Opportunity!

The Green Teams Program is a **PAID** summer internship for undergraduate students hosted at the PSEG Institute for Sustainability Studies (PSEG ISS) at Montclair State University. PSEG ISS plays a transformative role in providing transdisciplinary research and education to address real-world sustainability issues. We believe building academic-corporate-public partnerships provides vital research and knowledge on how to produce feasible solutions for our collaborating organizations and beyond.
