

BERNALILLO COUNTY

COME WORK WITH US!

OPERATIONS EXCELLENCE INTERN

- **Web Design** - unleash your creativity with WordPress and Canva
- **Data Analytics** - tons of on the job Excel training
- **Performance Management** - build relationships with all departments and track Key Performance Indicators (KPIs) and metrics, great networking for future career opportunities
- **Strategic Planning** - communicate the county's and department's plan of operations, ensuring that the county is doing the right things to meet the needs of the community
- **Dashboards** - build interactive graphs to tell the county's story and our accomplishments
