

Solutions Treatment Center

The Way Forward

Art and Experiential Therapist

Job description

We are seeking an art and experiential therapist to lead group therapy sessions and to carry an individual client caseload.

Solutions Treatment Center, with locations in Santa Fe and Albuquerque, is an outstanding intensive outpatient treatment center for those struggling with and without addictions. We offer trauma informed programs for depression, anxiety, PTSD, substance use disorder, dual diagnosis and grief and loss.

We are a small, family style company and are looking for dedicated, honest, reliable clinicians with a commitment to quality care.

Candidates will have:

A minimum of 1 year post graduate experience. Independent licensure is preferred.

Training in a variety of experiential therapies such as art, sand tray, psychodrama, role playing, movement is preferred.

Experience working with complex, dual diagnosis clients

Group therapy experience.

Experience with diagnosing, creating and implementing individualized treatment plans.

Excellent oral and written communication skills.

Individual therapists are responsible for planning and facilitating psychotherapy groups, treatment planning, aftercare planning and directing the clinical treatment for their assigned clients.

Job Types: Full-time or Part-time positions available

Salary: \$23.00 - \$28.00 per hour

Work Location: Santa Fe and/or Albuquerque
