

Solutions Treatment Center

The Way Forward

Psychotherapist, Counselor

Job description

New Mexico's premier Intensive Out Patient program is seeking full and part time Psychotherapists and Counselors to join our team. We are a trauma informed treatment provider specializing in mood disorders, PTSD and substance abuse.

Candidates are required to have a valid NM therapy, social worker or addiction counseling license and are experienced in working with mental health and dual diagnosis clients.

Therapists will conduct group therapy, individual and family therapy and be responsible for clinical documentation including progress notes, treatment planning, aftercare planning and discharge summaries.

We have locations in Santa Fe and Albuquerque and preference is given to those who are able to work from both locations.

Job Types: Full-time or part time.
