

# FATHERS New Mexico

## **Fathers New Mexico is seeking: Case Management Supervisor**

### **JOB SUMMARY:**

A Case Management Supervisor at Fathers New Mexico is responsible for overseeing the case management provided to individuals served by Fathers New Mexico. This position assists with development, review, and improvement of case management/client files and establishing processes to support all staff with case management duties. This person shall prioritize a client-centered approach. All Case Managers are expected to work with individuals and families humbly and conscientiously pursue options to meet participants' needs. This Case Management Supervisor must be open to professional development, constructive feedback, challenging ideas, and collaborative teamwork. The Case Management Supervisor will support and operationalize the mission of Fathers New Mexico in its work with families. A successful Case Management Supervisor actively contributes their expertise and insights to promote constant improvement within the organization and maintains positive relationships with other staff, volunteers, clients/participants, professional collaborators and supporters of Fathers New Mexico. A Fathers New Mexico Case Management Supervisor willingly brings their expertise and insights to the team, in the spirit of constant improvement for the organization. This position may plan and facilitate Dad's Groups for participants. This person may also be asked to support organizational development and promotional activities.

### **Requirements:**

A professional with an appropriate combination of education and experience will be considered. Bilingual (English/Spanish) preferred.

Must have a legal driver's license and an operational vehicle that complies with all relevant NM laws.

Able to pass a criminal background check.
