

Department of Homeland Security Transportation Security Laboratory Summer Program 2025

Are you an undergraduate or graduate student looking for a paid Summer opportunity?

The Department of Homeland Security (DHS) Transportation Security Laboratory (TSL) Visiting Scientist Program is offering 10-week summer internships for undergraduate and graduate students. This internship provides the opportunity to independently utilize your skills and engage with experts to move the proposed research forward.

Provisions include a competitive stipend and an opportunity for a monthly housing supplement during the appointment.
