# ABOUT WORKING IN BEHAVIORAL HEALTH

Join a team that provides the largest continuum of behavioral health care in the Southwest. We partner with the city of Albuquerque, along with state and local communities, to address New Mexico's unique needs.

Our teams treat mental health disorders in diverse and vulnerable populations, including teens at risk for self-harm, those at risk for incarceration, and the homeless.

## Benefits Include:

- Minimum wage starting at \$15.55 per hour
- Benefits for full-time and part-time employees
- Receive 17% weekday nights, 26% weekend nights, or 15% weekend day shift differentials
- Tuition reimbursement
- Scholarship for dependents who attend UNM
- Up to 6% employer retirement contributions
- 9 paid holidays
- And more!
