

Social Work Intern – Individual Therapy Focus

Location: Lowkey and Serene Therapy (5640 Venice Ave NE, Suite L Albuquerque NM, 87113)

Position Type: Internship (Unpaid)

Reports To: Vicki Lieber LCSW

Position Summary

We are seeking a motivated and compassionate **Social Work Intern** to join our clinical team and gain hands-on experience providing **individual therapy** to clients under supervision. This internship offers direct exposure to assessment, treatment planning, evidence-based interventions, and professional documentation within a supportive, learning-centered environment.

Key Responsibilities

- Provide **individual counseling sessions** to clients, using trauma-informed, strengths-based, and culturally responsive approaches.
- Assist in conducting **intake assessments**, biopsychosocial evaluations, and needs assessments.
- Collaborate with clients to **develop and review treatment goals**.
- Document sessions, progress notes, and other clinical records in compliance with agency and ethical guidelines.
- Participate in **weekly supervision** with a licensed clinical supervisor for skill development and case review.
- Attend **team meetings, trainings, and case consultations** as required.

- Engage in reflective practice and ongoing professional growth in accordance with **NASW Code of Ethics**.
-

Qualifications

- Currently enrolled in an accredited **BSW or MSW program** (field placement approved by school).
 - Completion or concurrent enrollment in coursework related to **clinical practice and counseling skills**.
 - Strong interpersonal skills, empathy, and ability to build therapeutic rapport.
 - Commitment to **confidentiality** and professional boundaries.
 - Ability to work with diverse populations in a respectful and culturally competent manner.
-

Learning Opportunities

- Supervised experience in **individual therapy** with varied client populations.
 - Exposure to evidence-based modalities (e.g., CBT, DBT, motivational interviewing).
 - Training in **documentation standards** and clinical best practices.
 - Professional development in ethical decision-making and self-care for clinicians.
-
