

# Clinical & Translational Research Experience (CT-REx) Career Preparation Program

**Explore career prospects in health sciences research this summer**

The CT-REx (Clinical & Translational Research Experience) Career Preparation Program is a paid opportunity for freshmen, sophomores, and community college students in New Mexico and Arizona to explore and engage in Health Sciences Research at the University of New Mexico in Albuquerque.

**JUNE 1 - JULY 24, 2026**

**APPLICATIONS DUE: MARCH 10, 2026**

**Over 8 weeks, CTREx trainees will:**

- Explore multiple careers in research
- Work alongside skilled research professionals
- Learn the foundational skills of research
- Receive \$5,000 stipend, UNM campus-based housing, and 1 course credit.

**Train in:**

- Lab techniques
- Interacting with research participants
- Data collection, entry, and reporting
- Communicating research results to others
- And more

Supported by: UM1TR005466
