

SECONDARY SPECIAL EDUCATION TEACHER
Hatch Valley Public Schools

Hatch Valley Public Schools is hiring full-time High School Secondary Special Education Teacher.

Job Duties

Provide a basic core program for special education students at the high school level consistent with the state education code requirements and develop cohesive IEP's; work cooperatively with classroom teachers who have special education students in regular classes, interpreting the abilities and disabilities of these students to the entire staff, and assisting the student with regular class assignments; confer frequently with parents and professional staff members regarding the educational, social and personal need of such students; and assists other professional staff members in resolving the unique educational needs of such students.

Position is not assigned classroom with a set of assigned students but rather consists of support services and individualized teaching for students at the high school level (grades 9-12) that require special education.

Required Qualifications: Bachelor's Degree and New Mexico Teaching License with Special Education endorsement or ability to obtain same by start of employment.
